This week we say goodbye to **Fr Andrew**, who is leaving the Cathedral after ten years here as deacon and then priest. Fr Andrew is moving to Poringland, but will continue to serve as Chaplain to UEA. We thank him for his service at the Cathedral, and send him off with all our best wishes and prayers for his future ministry.

GUIDANCE

Here at the Cathedral, we are sure to abide by all the guidance offered by the government during the current situation. Here is an **update**:

The government advises that all visitors to the Cathedral (as an enclosed public space) wear a **face mask**. A face mask is a covering of the mouth and nose that can remain in place without the use of a hand.

We have an absolute maximum capacity of **250** persons. We have not yet exceeded that at any one moment.

We advise all visitors to apply **hand sanitiser** upon entering and leaving the Cathedral.

For safety in the use of shared books during Mass, **our readers are asked to wear gloves**, as several persons touch the lectionary during Mass.

To prepare for Mass, **our servers and sacristans wear gloves and masks**. All hosts are placed in the ciborium by the sacristan using gloves, after which it is sealed until the time of Holy Communion. Each priest sanitizes his hands before distributing Holy Communion. We are trying to reduce the number of different people who distribute Holy Communion just to be safe for the time being. You would've seen the younger priests alone distributing Holy Communion recently, because over 70s are not permitted to distribute during Mass. Over time, we will gradually re-introduce the assistance of some Extraordinary Ministers of Holy Communion under 70, taking especially care, since this involves the handling of consumables. On occasion our servers will wear gloves and masks for all or part of a Mass or other ceremony.

In the **confessional**, hand sanitiser and viricidal spray is available; the priest will ask you to spray the interior of the confessional with viricide ready for the next penitent.

For Holy Communion, **please approach in single file**, not in two queues, and remain distanced from others. **Please leave Mass in a slow and orderly manner**.

We would like to **thank everybody** for your co-operation. We all have different experiences, reactions and feelings, and so patience and gentleness is especially important. **We would also like to thank all those who volunteer in the Cathedral**, our stewards, including temporary stewards, cleaners, liturgical ministers and sacristy staff, flower arranges, music ministers and musicians, charitable volunteers, and, of course, all our parishioners, for your generosity and kindness to one another.

Daily Live Broadcasts from the Cathedral: view Mass online at **10am every day**. Visit: sjbcathedral.org.uk/live

Fr Andrew's podcast, *Ego Sum Via* is available to listen at <https://egosumvia.podbean.com>, and also on Spotify and iTunes.

Audio Visual Ministry – we need volunteers to help run our live broadcasting service for the daily 10am Mass and the Sunday 11am Mass. If you or a tech-capable friend or relative are interested, please contact Daniel Justin at music@sjbcathedral.org.uk

The **Justice and Peace Group** invite you to pray with us this month for our twinned project in **Tambogrande**, Peru. As a country, Peru has been hard hit by Covid 19. Many people in Tambogrande have little access to healthcare and running water into their homes, which can make infection control much more difficult. For further information about the group please feel free to contact Sarah Ebelewicz on scmebelewicz@hotmail.com.

The **Duckett Library** is closed to visitors but there is a box for returned books outside the library door. If you need to borrow books, please contact us by email (duckettlibrary@sjbcathedral.org) with details and we can arrange issue and collection. We hope to reopen in September.

CAFOD has joined with the UK Disasters Emergencies Committee to help millions of people whose lives are at risk, as coronavirus spreads across refugee camps and countries suffering conflict. You can donate at cafod.org.uk/coronavirus to help CAFOD scale up its coronavirus response through our global Church family. Or use CAFOD's *Summer of Hope* fundraising ideas with your family and friends to transform lockdown and raise money for the appeal: cafod.org.uk/summerofhope

St Augustine's Primary (Costessey) - **Nursery spaces available** for September 2020 admissions. If you have a child that was born between September 2016 and August 2017 and wish to apply, contact the school office on 01603 743 317 or email office@st-augustines.norfolk.sch.uk or visit our website www.st-augustines.norfolk.sch.uk to download a Nursery Supplementary Form. The Diocese of East Anglia is looking for a **part-time cleaner** for the Diocesan Offices at **Poringland**. Details can be found on the Diocesan website at: <https://www.rcdea.org.uk/vacancies/> or ring 01603 492 202 and speak to Laura.

St Peter Chrysologus, a 5th century bishop and Doctor of the Church was known for his short sermons. He still speaks to us in our own day:

"Love peace, and all the world will be tranquil and quiet. By doing so you store up rewards for me, and joy for yourselves, that the Church of God may be founded on the bond of peace and may cling to perfect observance in Christ."
